Description

4" x 2" direct thermal roll labels with 500 labels per roll and 6,000 labels per case. Designed for shipping, barcoding, inventory management, warehouse operations, product identification, e-commerce fulfillment, and everyday business labeling applications. Direct thermal printing requires no ink or toner.

Standard Packaging

Each roll contains 500 direct thermal labels. Full cases include 12 rolls for a total of 6,000 labels. Individual rolls are available for smaller labeling needs, while full-case and volume pricing provide additional savings for higher-volume business operations.
