

4" x 6" Direct Thermal Labels | 250 Labels/Roll

Direct Thermal Premium Paper | 1" Core | 3.23" OD | Permanent Adhesive

250 Labels/Roll	12 Rolls/Case	3,000 Labels/Case	1 Roll Minimum Purchase
--------------------	------------------	----------------------	----------------------------

Description

4" x 6" direct thermal roll labels with 250 labels per roll and 3,000 labels per case. Designed for shipping, barcoding, inventory management, warehouse operations, product identification, e-commerce fulfillment, retail operations, and everyday business labeling. Direct thermal printing requires no ink or toner.

Standard Packaging

Each roll contains 250 labels. Full cases include 12 rolls (3,000 labels). Individual rolls are available for smaller needs, with case and volume pricing for higher-volume operations.

Applications

Shipping and mailing, e-commerce fulfillment, warehouse labeling, barcoding, inventory tracking, product identification, retail operations, and general business labeling.

Printing & Printer Compatibility

Direct thermal printing uses heat, so no ink, toner, or thermal-transfer ribbon is required. Designed for compatible direct thermal printers from major manufacturers including Zebra, TSC, Honeywell, Citizen, GoDEX, Intermec, Printronix, and Toshiba TEC, provided the printer supports the applicable media size, core, and roll diameter. Verify printer media specifications before ordering.

Additional performance or compliance claims are included only when supported by applicable supplier documentation.
